The National Election Commission (NEC) attended two customized modular workshops on Boundary Delimitation and Voter Registration in Juba supported by the United Nations Integrated Election Assistance Team (UN-IEAT). The trainings, held between 25-28 March and 1-4 April 2025, utilized the BRIDGE (Building Resources in Democracy, Governance and Elections), a comprehensive capacity development curriculum for election management bodies worldwide.

The two workshops brought together over 50 participants NEC Commissioners, members of the secretariat as well as members of the State High Election Committees (SHECs) from all 10 states.

The trainings were designed to equip NEC and electoral stakeholders with the knowledge to analyze implications of electoral boundary decisions and shed light on foundational principles of effective voter registration systems. The workshops are part of a capacity building series that provide platforms for electoral administrators to continue preparing South Sudan for its national elections scheduled in December 2026.
